

**ExxonMobil Chemical Performance Fluids**  
**REACH pre-registration status and registration plans**  
**Date issued: December 2008**

**Exxsol D and Isopar grades**

| Product / Tradename  | Substance name  | Pre-registered                        | Intend to register          |
|----------------------|---|---------------------------------------|-----------------------------|
| <b>Exxsol grades</b> |   |                                       |                             |
| Exxsol Isopentane S  | Iso-Pentane   | Yes - June 2008                       | Yes                         |
| Exxsol Isopentane SP | Iso-Pentane   | Yes - June 2008                       | Yes                         |
| Exxsol Isopentane T  | Iso-Pentane   | Yes - June 2008                       | Yes                         |
| Exxsol Pentane 25    | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol Pentane 75    | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol Pentane 78    | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol Pentane 80    | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol Pentane 82    | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol Pentane 85    | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol Pentane 95    | preparation   | components pre-registered - June 2008 | No                          |
| Exxsol Isohexane     | Iso-Hexane  | Yes - June 2008                       | Yes                         |
| Exxsol Isohexane T   | Iso-Hexane  | Yes - June 2008                       | Yes                         |
| Exxsol Isohexane SP  | Iso-Hexane  | Yes - June 2008                       | Yes                         |
| Exxsol Hexane        | Hydrocarbons, C6, n-alkanes, isoalkanes, cyclics, 5-80% n-hexane      | Yes - June 2008                       | Yes                         |
| Exxsol Hexane SP     | Hydrocarbons, C6, n-alkanes, isoalkanes, cyclics, 5-80% n-hexane      | Yes - June 2008                       | Yes                         |
| Exxsol Hexane T      | Hydrocarbons, C6, n-alkanes, isoalkanes, cyclics, 5-80% n-hexane      | Yes - June 2008                       | Yes                         |
| Exxsol Heptane       | Hydrocarbons, C7, n-alkanes, isoalkanes, cyclics                      | Yes - June 2008                       | Yes                         |
| Exxsol DHN 40 JO     | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DHN 50        | Hydrocarbons, C6, n-alkanes, isoalkanes, cyclics, 5-80% n-hexane      | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 30/75 S   | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 40/65 S   | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 60/95 GR  | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 60/95 S   | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 60/95 SH  | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 80/110    | Hydrocarbons, C6-C7, n-alkanes, isoalkanes, cyclics, < 5% n-hexane    | Yes - June 2008                       | Yes                         |
| Exxsol DSP 100/115 S | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 100/120   | Hydrocarbons, C7-C9, n-alkanes, isoalkanes, cyclics                   | Yes - June 2008                       | Yes                         |
| Exxsol DSP 100/140   | Hydrocarbons, C7-C9, n-alkanes, isoalkanes, cyclics                   | Yes - June 2008                       | Yes                         |
| Exxsol DSP 100/140 S | Hydrocarbons, C7-C9, n-alkanes, isoalkanes, cyclics                   | Yes - June 2008                       | Yes                         |
| Exxsol DSP 100/160   | preparation   | components pre-registered - June 2008 | components to be registered |
| Exxsol DSP 145/160   | Hydrocarbons, C9-C10, n-alkanes, isoalkanes, cyclics                  | Yes - June 2008                       | Yes                         |
| Exxsol D30           | Hydrocarbons, C9-C10, n-alkanes, isoalkanes, cyclics                  | Yes - June 2008                       | Yes                         |
| Exxsol D40           | Hydrocarbons, C9-C11, n-alkanes, isoalkanes, cyclics, < 2% aromatics  | Yes - June 2008                       | Yes                         |
| Exxsol D60           | Hydrocarbons, C10-C13, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D80           | Hydrocarbons, C11-C14, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D100          | Hydrocarbons, C12-C16, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D100 S        | Hydrocarbons, C12-C16, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D120          | Hydrocarbons, C14-C18, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D140          | Hydrocarbons, C16-C20, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D180/200 SP   | Hydrocarbons, C10-C13, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D220/230      | Hydrocarbons, C11-C14, n-alkanes, isoalkanes, cyclics, < 2% aromatics | Yes - June 2008                       | Yes                         |
| Exxsol D220/240      | preparation   | components pre-registered - June 2008 | components to be registered |
| <b>Isopar grades</b> |   |                                       |                             |
| Isopar C             | Iso octane  | Yes - June 2008                       | Yes                         |
| Isopar E             | Hydrocarbons, C7-C9, isoalkanes                                       | Yes - June 2008                       | Yes                         |
| Isopar G             | Hydrocarbons, C10-C12, isoalkanes, < 2% aromatics                     | Yes - June 2008                       | Yes                         |
| Isopar H             | Hydrocarbons, C11-C12, isoalkanes, < 2% aromatics                     | Yes - June 2008                       | Yes                         |
| Isopar J             | preparation   | components pre-registered - June 2008 | components to be registered |
| Isopar K             | preparation   | components pre-registered - June 2008 | components to be registered |
| Isopar L             | Hydrocarbons, C11-C13, isoalkanes, < 2% aromatics                     | Yes - June 2008                       | Yes                         |
| Isopar LT            | Hydrocarbons, C10-C13, isoalkanes, cyclics, < 2% aromatics            | Yes - June 2008                       | Yes                         |
| Isopar M             | preparation   | components pre-registered - June 2008 | components to be registered |
| Isopar N             | Hydrocarbons, C12-C16, isoalkanes, cyclics, < 2% aromatics            | Yes - June 2008                       | Yes                         |
| Isopar P             | Hydrocarbons, C13-C16, isoalkanes, cyclics, < 2% aromatics            | Yes - June 2008                       | Yes                         |
| Isopar V             | Hydrocarbons, C14-C19, isoalkanes, cyclics, < 2% aromatics            | Yes - June 2008                       | Yes                         |
